

EFFECTIVE INSTRUCTION FOR COACHING & EVALUATION WORKSHOP

- Learn research-based instructional approaches that increase student achievement.
- Apply the 10 Standards for Effective Instruction to lesson designs.
- Evaluate videos of teachers against the standards and design coaching plans to improve their performance.
- Engage in discussion and a variety of interactive activities to deepen and share your understanding of effective teaching.

AN INFORMATION PACKED WORKSHOP

In this hands on workshop, Dr. Schacter will introduce his 10 Standards for Effective Instruction. These standards will be used by administrators and teachers to evaluate, coach, and design effective learning experiences. To date, over 20,000 teachers and administrators use Dr. Schacter's 10 Standards for Effective Instruction to improve their teaching and their students' learning. By the end of this workshop participants will:

- Develop knowledge and skills around peer coaching.
- Apply observational strategies and peer coaching techniques to improve classroom teaching.
- Conduct reflective two-way instructional conferences.
- Use real-time coaching, samples of student work, and teacher plan books to provide guidance on how refine teacher instruction.

This workshop includes

- A 30 page workbook with the 10 Standards for Effective Instruction, a *Coaching & Evaluation Framework*, and *Lesson Plan Templates* to integrate effective teaching approaches.
- Reproducibles available in MSWord so that administrators and teachers can adapt the instruments to meet their needs.
- A DVD with videos of teachers teaching different grade level and content areas that serves as the basis for coaching and evaluation training.

Praise for this workshop

- "Dr. Schacter's workshops with our 400 administrators on coaching and effective teaching were the highest rated professional development in our district in years." *Jeanne Crocker, Professional Development Director, Virginia Beach City Public Schools, VA*
- "Every one of our administrators and instructional coaches provided positive feedback for Dr. Schacter's effective teaching workshops, which is unheard of!" *Dr. Aubrey Wang, Director of Research & Evaluation, Philadelphia School District, PA*
- "Our teachers and administrators absolutely loved Dr. Schacter's effective instruction workshops! Not only did he design a rigorous teacher evaluation instrument for our district, but teachers and administrators are eager to use it!" *John Curtin, Assistant Superintendent, Greenwich School District, CT*
